Subject: WEEK/BATCH 2 REPORT *FINAL VERSION*

Hi all,

I was just working with our IT person and apparently my PDF issues stemmed from me using the wrong scan program the whole time, which was causing my files to be 10 times the size they should be. The complete report is attached, so that should be much easier for all of you to use instead of those multiple emails I was sending on Friday!

Thanks for your patience!

Brandi Rasinger
